The St. Louis & St. Paul packet company has just issued a handsome book, the title page of which reads, "Our Last Season's Log Book, Notes Here and There Along the Upper Mississippi." It is filled with interesting and useful reading matter and contains descriptions of nearly all the summer resorts of Wisconsin and Minnesota. It will prove a very valuable companion to those who contemplate taking a trip north by river during the summer, as it describes and illustrates all the points of interest along the Mississippi.
